

## **Proof of Vaccination**

Writers registering to attend In-Person CFLA Discernment Circles will be asked to provide Proof of Vaccination.

A photo of the vaccination card should be sent by email to:

[vaccines@womenwriting.org](mailto:vaccines@womenwriting.org)

**If you have previously submitted proof of vaccination, you do not need to do so again. Once vaccination status is established, documentation will not be required to attend subsequent In-Person circles at WWf(a)C. Your vaccination status will be kept confidential and on file with the office.**

Masks will be required and will be available at the Discernment Circles.

These protocols are subject to updates as Covid rates increase and/or Ohio or CDC recommendations change. Our goal is the safety of all.
